

Connecting our community with activities.

PROJECT: 104

## Apple Blooms!

### DETAILS:

Bees are busy cross-pollinating the pretty pink blossoms that have begun blooming on apple trees. Their hard work means that we will have delicious apples to enjoy this fall! Color in the illustration and tape in your window for your neighbors to see!

### YOU'LL NEED:

Coloring utensils  
Tape (Optional, to adhere to your window to share with your neighbors)

### CONNECTING WITH:

Outdoors and your neighbors

# Apple Blossom
